Significant changes to the way the school manages the school meals system have been made. These changes have serious implications on the school finances. Under the new system all dinner money debts will have to be taken from our school funds, this means that families who do not pay their dinner money in a timely manner are jeopardising the school resources the school is able to buy for your children.

**Meals must be paid for within the week that they are taken. Credit will not be given unless by prior agreement with the school office and this will only be provided in extreme circumstances.**

**Failure to pay for your school meals will result in the suspension of the school meals service.**

### FREE SCHOOL MEALS

Free school meals will only be provided for pupils whose parents receive UNIVERSAL CREDIT, INCOME SUPPORT, INCOME BASED JOB SEEKERS ALLOWANCE, INCOME RELATED ELEMENT OF EMPLOYMENT AND SUPPORT ALLOWANCE, GUARANTEE PENSION CREDIT OR CHILD TAX CREDITS (without Working Tax Credit) with an annual income of £16190.00 or less. If you wish to apply for Free School Meals please contact [www.flintshire.gov.uk/FSM](http://www.flintshire.gov.uk/FSM) in the first instance.

Educational trips, snack etc can also be paid online and will be linked to your child's account.

Aside from saving the school time and money on administration, School Gateway will also make it easier for parents to pay any time 24-7 and reduce the amount of cash being carried by children on school premises.

### **What you need to do now**

Activate your School Gateway account. It's quick and easy to do. All you need are your email address and mobile number that school holds on record for you.

□ **Download the app:** If you have a smartphone, please download School Gateway from your app store (Android and iPhone).

If you're having trouble logging in, it may be because the school doesn't have your current email and mobile phone number on record. Please call the school and we'll update the details on our system.

We hope you will find School Gateway to be a fast and easy way to pay for school items.

### Important News on School Uniform Shopping

As term draws to a close, we're already looking ahead to September. Our uniform provider Monkhouse is working hard to make sure that despite the challenges posed by international shipping, Covid and Brexit, our parents will be able to find everything they need.

This is a reminder that the best way to ensure your child has all the uniform they need in good time for the start of the school year is to shop early, if this is possible for you,

Please book your appointment with Monkhouse now, preferably choosing an appointment in July or Early August.

To stay up to date with news on stock and special offers on uniform and accessories, please visit the website below.

Thank you for understanding. We know not all parents are able to shop early, but the challenges posed when large numbers of families shop in the last two weeks of August is something we are all keen to avoid. After what has been an interesting school year, please help us to help you to ensure we all return in September raring to go!

Remember, shop early for faster service and our full range of stock plus best offers.

## **SCHOOL DRESS CODE**

We all feel proud to be members of Ysgol Derwen and in representing the school this is a message we are keen to communicate with the local and wider community. Please encourage your child to respect their uniform and to keep clean and smart at all times.

The School has its own uniform which all pupils (Nursery to Year 6) are strongly encouraged to wear. Most of the items can be obtained from chain stores.

If you would like your child to have the school logo on their uniform, these are available from Forrester by Monkhouse in Mold.

It would be most helpful if all main items of clothing are clearly labelled. This would greatly reduce the large amount of "lost property" which the school is left with each term. The school cannot take responsibility for lost belongings. Please also keep equipment bags as modest in size as possible as space within the school is limited.

### **Jewellery**

The wearing of jewellery can be dangerous in some activities and is therefore not allowed at school. In order to comply with the LA and school's own Health and Safety Policy, jewellery is not permitted to be worn during P.E. and Games lessons. All forms of jewellery (bracelets, necklaces, earrings, rings etc.) should not be worn during school hours/visits when wearing school uniform.

Watches and earring studs only are permitted. Any child who cannot remove stud earrings for PE lessons, for whatever reason, must cover them with micropore tape. Watches must also be removed for P.E./Games activities.

### **Extreme Fashion Haircuts**

Extreme fashion haircuts are actively discouraged e.g. tramlines, colours, Mohicans. Long hair (boys and girls) should be tied back at all times. We welcome your full support in these matters.

## FOR YOUR INFORMATION:

- Please name all your child's clothing and belongings to avoid confusion.
- A change of clothing for your child to keep in school would be appreciated (including underwear).
- We discourage the bringing in of toys from home in case of loss or breakage.
- For Nursery children: named pumps/trainers or non-slip shoes are required from January onward when children are encouraged to take part in P.E. sessions.
- For Reception children: a named P.E kit will be required from September.
- Children will have access to the outdoor classroom at all times of the year. 'All in One' rain suits and wellington boots are provided by school. The children's own coats should be worn to school as normal.
- Our main topic in the first half term will be 'All About Me'. We will be exploring themes such as families, growing and changing, homes, pets and the environment.

For Nursery pupils only - please complete the 'All About Me' worksheet with your child and return it to school on their first day of attendance in September. It would be helpful if all children could bring a selection of no more than 3 family photos. From time to time we will be asking parents to contribute to these learning opportunities by extending their learning at home.

- We provide a variety of snacks with either milk or water, with emphasis on healthy eating. There is a small charge if you wish your child to participate.
