You may want to bring a small selection of colouring pencils and felt pens, but we do have plenty of these available in school for you to use.

- The Celts
- Story writing and recounts in language
- Maths and Numeracy across the curriculum

Homework - You will be given a grid in September, with a wide range of homework tasks that you can complete. The completed tasks will need to be returned to school each Monday, or you can put them on your new Year 3 Google Classroom Page which will be ready for you for September.

Our **PE days** are on Tuesdays and Fridays. You will need outdoor kit for Tuesdays, white t-shirt, black or blue shorts and

Summer Holiday Activity

In the past, we have asked the Year 2 class to collect some special memories during the Summer holiday such as photographs, shells, tickets, etc. and put them in a shoebox which can be decorated any way you like. We would still like you to do this, but unfortunately you will not be able to bring them into school in September, so what we would like you to do is either take some photographs of your special items - you could ask someone to help you make it into a Power-point? Or you could make a short video telling us all about the special things in your box.

Have a lovely summer holiday and we look forward to seeing you all in September.
